### *Welcome to the 23/24 school year!*

As we move forward into another school year, we hope that you are excited and ready for this incredible opportunity!

The staff has been working hard to prepare for the upcoming year. Students should be able to find their schedules in Sapphire during the first week of August.

Our amazing teachers are planning and preparing to teach engaging lessons and grow our students! We have added many new school staff members this summer so please check out the Welcome New Staff section.

Students, we are so excited to welcome you back to school! We hope you are ready for a GREAT year!

# SCHEDULE

Students and parents can log in to Sapphire to see their schedule for the 23/24 school year. Usernames and passwords remain the same year to year.

This platform also allows you to view your child's grades, behavior and attendance. If you already have a Sapphire account, please log in now to make sure you can access it.

Otherwise, go to [www.yorkacademy.com](http://www.yorkacademy.com) and follow the directions below to create an account:

1. Find the Sapphire login link and Click on "Create a Web Portal Account" under the login details.
2. On the next screen, when prompted to enter the KEYWORD, type in the word: charter.
3. We will email your PIN to you within a few days and you will be able to access your Sapphire account after you receive it. Questions? Please contact the main office at 717-900-5001

Please know that changes and adjustments are still being made.

The mission at York Academy is to challenge students in an academically rigorous environment. We have set a high bar to achieve this mission and there is a lot for us to do in order to become global citizens. In the past two years, we have noticed the use of cell phones has negatively impacted student learning. As a reminder, students are not to have their cell phones with them during the day. If a student has their cell phone out at any time during the day, they will turn it in to any staff member. A parent or guardian will need to retrieve it from the front office. Should you need to speak to your child while they are at school, please contact the main office. We will gladly make that connection. Students should not bring their personal technology or any other Bluetooth enabled devices (i.e. air pods). This information is clearly outlined in the Student Code of Conduct. Please reach out should you have any questions.
